

# SPRING EDUCATION CONFERENCE

April 25<sup>th</sup> & 26<sup>th</sup>

**MONDAY**

- Counter Intelligence

**TUESDAY**

- From the Ground Up
- Bluebeam Workshop

☐ Monday, April 25, 2022 | 8:30–4:30 p.m.

Counter Intelligence! Strategies for the Front Line – Mary Dickson .6 PP CEUs

This class is designed to provide general construction/code knowledge along with understanding plan sets for the Permit Tech to be more confident at the counter with submittals and discussion with builders. Topics will include: Construction Types, Occupancies, scales, construction materials, inspection terminology, and basic structural concepts. We will also discuss basic electrical, mechanical, and plumbing requirements for projects. Required materials :2018 IRC and IBC.

☐ Tuesday, April 26, 2022 | 8:30–4:30 p.m.

From the Ground Up – Mary Dickson .6 PP CEUs

A comprehensive study of all phases of residential construction geared toward the Permit Tech. Construction, and inspection processes, and terminology will be covered in depth. Attendees will gain knowledge about the construction of a single-family residence- both frame and masonry, be able to identify various construction materials and have a better understanding of the required inspections .

**Mary Dickson's Bio:** Prior to retiring, Mary had been the Building Official for the City of Litchfield Park, Arizona since 2017. Prior to that position, she served as the Building Official/Fire Marshal for the City of El Mirage, Arizona for 10 years and Senior Plans Examiner for the City of Avondale, Arizona for 9 years. Mary also does free-lance blueprint drawing of custom homes and remodels and has over 500 projects in 7 states. Before finding her niche in Building Safety, she taught at the high school and junior college level for 12 years, teaching classes in architecture, drafting, blueprint reading and computer aided design (CAD). She holds a Bachelor of Science degree in Career and Technology Education and has earned ICC certifications in Residential & Commercial Plan Review, Building and Fire Inspections, and others including Certified Building Official. Mary has taught classes throughout the U.S. on IBC and IRC Overview, Residential Blue-Print Reading for Permit Techs, Front Counter Plan Review, Property Maintenance Code, and Hoarding Issues for Building and Code Enforcement.

📅 Tuesday, April 26, 2022 | 8:30–4:30p.m.

## Bluebeam Revu Workshop – Tela Gardner & Becky Scheffer (WSAPT Board) .6 PP CEUs

A hands-on, interactive class designed to improve your understanding of Bluebeam Revu and its capabilities as an essential tool for permit technicians. We will discuss and demonstrate key features of Bluebeam Revu such as general navigation & screen layout, using shortcuts to your advantage, and how it all fits into an electronic permitting process. This class is intended for permit technicians with little or no experience with Bluebeam Revu but all user levels are welcome. **Required materials:** Wi-Fi capable laptop with Bluebeam Revu 2018 or higher installed. **Class is limited to 15 attendees, please contact Tela Gardner at [tgardner@kenmorewa.gov](mailto:tgardner@kenmorewa.gov) to reserve your place in the class.**
